## School Children Can't Afford Handicaps

In a remarkable test, recently made under the supervision of the State Board of Health of Minnesota, over 9000 school children were questioned as to what they ate for breakfast

A large percentage of the breakfasts consisted of coffee, bread and butter; coffee and oatmeal or some other cereal; coffee and hotcakes; coffee and biscuits; coffee and coffee cake or coffee alone. Probably the same conditions prevail everywhere throughout the country.

### "IS IT ANY WONDER," SAYS THE EXAMINING PHYSICIAN, "THAT 23 PER CENT OF THE CHILDREN HAVE FREQUENT HEADACHES?"

He was thinking of the chief cause—coffee. And it IS no wonder when we consider that coffee contains the powerful drug, caffeine, a nerve poison and notorious cause of headaches, heart trouble sleeplessness, irritation, and other ills!

Parents often wonder why their children are sickly, dull and backward in school when frequently the cause lies in the homely, accepted habit of giving them a beverage containing an insidious poison.

When scientists and Boards of Health everywhere are speaking out against the dietetic dangers to which children have been so long subjected, it is high time that parents take heed and correct these conditions. No child should be permitted to use coffee. It is easy to furnish them instead the pleasant, pure food drink.

## Instant Postum

Made from wheat, roasted with a bit of wholesome molasses, Postum contains the goodness of the grain and is a most delicious beverage, economical, convenient and free from coffee drugs or any other harmful substance.

Postum comes in two forms: The original Postum Cereal, which has to be boiled; Instant Postum—soluble—made in the cup with hot water—instantly. They are equally delicious, and the cost per cup is about the same for both kinds.

## NEW YEAR OF THE HEBREWS IS OBSERVED

Brilliant Sermons Are Preached  
by Cincinnati Rabbi and  
Stores Are Closed.

The Jewish New Year, Rosh Hashanah, began at sundown Wednesday and with it opened the year 5676 of the Jewish epoch. It is the most solemn day of the year to the Jews, next to the Day of Atonement, Yom Kippur; every Jew, orthodox or reformed, observes it.

It is the judgment day on which all the inhabitants of the world pass for judgment before the Creator, as sheep pass for examination before the shepherd. The belief is that three books of account are opened on Rosh Hashanah. The names of the righteous are immediately inscribed and they are sealed "to live." The names of those not entirely wicked are recorded in another book and to them a respite of ten days, until Yom Kippur, is allowed to repent and become righteous. The names of the entirely wicked are "blotted out of the book of the living."

All the Jewish stores in the city are closed in observance of the day.

In the Masonic temple at 9:30 o'clock Thursday morning, Dr. Maxwell Silver, of Cincinnati, a member of the faculty of the Hebrew Union College, preached a very scholarly sermon on "Every Man's Problem: Some Men's Solution," before a large audience of Jews and others.

"The Jewish Mission in History" was the subject of a very able and interesting sermon delivered to the members of Emmanuel Temple by Dr. Silver Wednesday night.

Dr. Silver dwelt at length upon the history of the Hebrew nation and the Hebrew race, showing what has been accomplished by the descendants of the inhabitants of the little kingdom of Judea. He spoke of the influence that the Jewish race has had upon the world's destiny in a religious, scientific, literary and economic way.

Modern ideas of national morality were scathingly denounced by the speaker, who declared that there should be no distinction between private morality and national morality—that moral obligations binding upon individuals are equally binding upon nations.

The speaker concluded by making a fervent plea for a permanent organization of Emmanuel Temple during the coming year, to which his audience heartily responded.

### SOCIAL AND PERSONAL

**Mission Board Meets.**  
The Christian Woman's Board of Missions of the Central Christian church met at the home of Mrs. Mary J. Ash and Mrs. Rufus Ash Tuesday afternoon at their home in Pike street. The afternoon was devoted to a study of China, the subject being "Service with Life." After the routine of business the program was in charge of Mrs. O. L. Haught. Interesting papers were read and a pleasing duet was rendered by Mrs. John Craig and Mrs. Rufus Ash. At the close of the program tempting refreshments were served by the hostess during the social hour.

**Mrs. Hall Presides.**  
Mrs. Cyrus W. Hall, of Charleston, the hostess in August of the West Virginia building at the Panama-Pacific exposition, was a guest and presided at the tea urn at a large reception given recently by Mrs. Frank H. Ainsworth at her home in San Francisco in honor of Mrs. William Borah, wife of Senator Borah, of Idaho.

National celebrities such as William H. Towles, president and Ryland W. Phillips, vice president of the Photographers Association of America, and J. C. Abel, a prominent Cleveland photographer and editor, will attend the convention.

The Associated Photographers of West Virginia were organized five years ago and since then the conventions have grown in interest and attracted wide attention.

The program includes addresses by Mr. Blatz, E. Sehon, mayor of Huntington; C. P. Snow, president of the Huntington chamber of commerce; a banquet at which J. E. Giffin is to be toastmaster, and an automobile tour.
